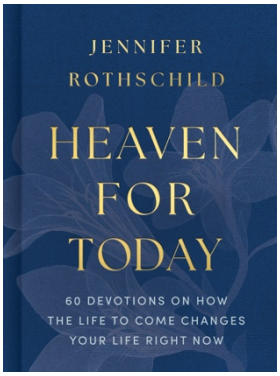
Jennifer Rothschild's New Devotional Invites Readers to Experience Heaven Now

'Heaven for Today' *Gives Hope and Slices of Eternity Through 60 Daily Devotions*

BRENTWOOD, Tenn. (May 27, 2026) — Death is a frightening thought to many, with 42% of people reporting fearing it to some degree. But Bible teacher, speaker and author Jennifer Rothschild is reminding readers that the hope of what waits beyond this life can transform us in the here and now in her new devotional *Heaven for Today: 60 Devotions on How the Life to Come Changes Your Life Right Now* releasing on September 8, 2026, from B&H Publishing.



Heaven for Today builds on the foundation of Rothschild's 2025 Bible study *Heaven: When Faith Becomes Sight*, expanding its biblical framework with 60 daily reflections that offer glimpses of eternity through the windows of heaven.

"Heaven is not just the place you go when you die, but it is a reality you can live every day," said Rothschild. "No matter what you are doing or where you are, you can live life now with an eternal perspective."

Heaven for Today speaks to anyone carrying anxiety, grief or uncertainty, not only giving them comfort and hope but reminding them that they can presently experience the joy that awaits them beyond this earth. The devotional also addresses the common fear of death, encouraging readers that it is not the end but merely a new beginning of the story for God's people.

"Here on this side of eternity, we think this world is it," said Rothschild. "We think we know shelter, freedom and light. But in reality, we only see the shadows and hear the whispers of another world just beyond us. We only fear dying to this current world because we really don't know what it feels like to be fully alive in the future world of radiance, splendor and endless joy."

Rothschild weaves together Scripture, reflections and her personal experiences to guide those seeking to engage with heaven on this side of eternity. Whether readers are struggling with fear

of death or facing deep hurt and loss, *Heaven for Today* gives hope and encouragement that there is no need to wait to experience the peace and delight of heaven.
